### Holidays and Cultural Observances

South Windsor Public Schools encourages all students and staff members to appreciate and be respectful of each other's heritage and cultural diversity. The curriculum at every level presents opportunities to provide learning experiences which help create awareness and sensitivity toward a variety of holidays, celebrations and cultural observances. The following is intended to provide information regarding not only the secular holidays on which South Windsor schools are closed, but also regarding the major festivals and holy days for many of the religious traditions represented in the South Windsor community. Faculty will make appropriate accommodations for students affected by these and other special observance days.
