## I. Project Background

On September 12, 2011 the South Windsor Board of Education (SWBOE) adopted the South Windsor Public Schools 2011-2014 Strategic Plan. Part of the strategic plan was to upgrade the elementary school facilities and to improve the safety, learning environments, and accessibility. On October 29, 2013 the Board of Education adopted the South Windsor Public Schools Elementary Schools Master Plan. The plan consists of three-phases for which Phase 1 has been completed and Phase 2 (Eli Terry and Philip R. Smith Elementary Schools) is currently under construction and on schedule to open for the fall 2020 academic year.

As part of the Phase 2 scope of work, the South Windsor Public Building Commission is requesting that bids be solicited for the Smallwares components required for each of these two new Elementary Schools.

Eli Terry Elementary School is located at 569 Griffin Road, in South Windsor, Connecticut.

Philip R. Smith Elementary School is located at 949 Avery Street in South Windsor, Connecticut.

#### II. Delivery Schedule

The South Windsor Public School System will be opening these two schools for the fall 2020 academic school year. Therefore, the purchase and delivery of the Smallwares packages for each of these two schools shall be completed by August 22, 2020. Bidders are only responsible for delivery of the items to the school. Distribution through the buildings is not required.

#### III. Instructions for Submission of Smallwares Bid

A total of **2 hard copies** of each company's proposal and one electronic copy on a USB thumb drive must be received at the following location on or before 2:00 p.m. on July 28, 2020. Similar to submission of the qualification packages, bidders will be permitted to drop-off their submission in person between 9 a.m. and 2 p.m. on Monday, July 27 and Tuesday, July 28, 2020. Due to limited staffing of the building due to the COVID-19 pandemic, submission by means other than United States Postal Service or in person is not recommended. The Town will not take responsibility for late submissions regardless of delivery method.

Bids shall be addressed to:

Mr. Matt Montana, Chairman c/o Ann Walsh, Clerk of the Public Building Commission South Windsor Public Schools 1737 Main Street, Room 205 South Windsor, CT, 06074

Questions regarding this invitation to bid should be directed to Mr. Charles E. Warrington, Jr., P.E., Director of Project Management, of Colliers Project Leaders. Email: <a href="mailto:Charles.warrington@colliers.com">Charles.warrington@colliers.com</a>. Questions must be submitted by Thursday, July 23, 2020 by 4:00 p.m. A final addendum, if required, will be posted to the CT DAS Contracting Portal by Friday, July 24, 2020 by noon.
