

PR\$ Mission Statement

We believe the PR\$ Community:

- maintains and fosters a Caring environment based on rigorous standards, respect and good will.
- Celebrates and values individual strengths and achievements and motivates students to actively participate in their learning.
- Cultivates reflective problem solvers responsive to their environment, and critical thinkers who incorporate challenging, real world experiences.

The PR\$ Community makes it a priority to collaborate, support, and work as a team so that all are successful, engaged, and find the joy in learning everyday.
