Help the Homeless Animals

Due to the overwhelming response and desperate need at the local shelters, PRS has decided to keep an on-going collection for the animals who do not have anyone to provide for them.

These dogs and cats are in desperate need of simple things like blankets, sheets, beds, toys, cushions, rawhide chews, collars, leashes & food.

Just as we have done this past month...

PLEASE send in your items and drop them in room 401.

Spring is right around the corner and it's a time when MANY puppies and kittens are born. Let's help give them some basic necessities.

You can drop items off anytime.

If you and your families are interested, check out their website at:

www.poinc.org

They have dogs and cats up for adoption and great events to help support the animals.
