SECTION 1 INTRODUCTION

The Instructions to Bidders ("Instructions") are intended to assist bidders in the preparation of bids, to call attention to legal requirements, and to set forth conditions upon which bids are submitted and received by the Town of South Windsor.

Bidders, at the time the bid is submitted, must be prequalified with the State of Connecticut Department of Administrative Services (DAS) in accordance with C.G.S §4b-91, for the bid package(s) listed below. In accordance with C.G.S §4a-100, C.G.S §4b-91, and C.G.S §4b-101, any trade contractor submitting a bid is required to submit their DAS Update (Bid) Statement with their bid. Failure to submit this item with the bid will result in rejection of the bid. All lower tier subcontractors with contracts in excess of \$500,000 must be prequalified in the applicable classifications at the time of performance of their work.

The contracts to be awarded are subject to contract compliance requirements of the Connecticut Commission on Human Rights and Opportunities as mandated by Sections 4a-60 and 4a-60a of the Connecticut General Statutes; and Sections 46a-71(d) and 46a-81i(d) of the Connecticut General Statutes. There are Contract Compliance Regulations codified at Section 46a-68j-21 through 43 of the Regulations of Connecticut State Agencies, which establish a procedure for awarding all contracts covered by Sections 4a-60 and 46a-71(d) of the Connecticut General Statutes. Prevailing wage rates as outlined in Connecticut General statutes 31-53 apply.

Any and all expense necessary to prove to the awarding authority the equality of items offered as equal to the specific item or specified names shall be borne exclusively by the bidder submitting any proposed substitutions. The words "or equal" shall not be construed to permit substantial departure from the requirements of the specifications. The provisions of Connecticut General Laws shall govern.

Each bidder shall clearly identify each individual item he proposes to furnish in which a deviation occurs, in any respect, from that which is specified, by submitting with his bid a complete itemized list identifying each and every item wherein a deviation is proposed. The bidder shall, upon request and without cost to the Owner furnish documents, independent laboratory tests, and similar authenticated proof material to substantiate that the item proposed in his bid is "equal to" or "exceeding" that which is specified. Bids offering deviations shall be submitted in strict conformance to the requirements and procedures described herein, and failure to comply shall be just cause for rejection of the bid or the enforcement of supplying the item or items of equipment exactly as specified, without exception or recourse.

If any items bid are other than "as specified", the vendor MUST:

1. Provide a product brochure and specifications of the alternate item bid to the Owner, with their bid package. Finish selection matches for alternates must be acknowledged.
2. Failure to do any of the above will constitute a "No Bid" item.

Award of "Extended Price" subcategories:
